1. The information contained in this Facilitator’s guide is distributed and sold as a guide and for informational purposes only. Safetycare makes no representation or warranty as to the compliance of this program with any and all applicable laws of the purchaser’s jurisdiction.

2. Safetycare’s liability for any damages to the purchaser or to any other party shall not exceed the amount paid by the purchaser for the guide. In no event shall Safetycare be responsible for any indirect or consequential damages or loss of profits, even if Safetycare has been advised of the possibility of such damage. Some provinces/states do not allow the limitations or exclusion of liability for incidental or consequential damages, so the above limitations or exclusions may not apply to the purchaser.

3. This Facilitator’s Guide is supplied as part of the subscription service; Montie. This guide is only to be used during a valid subscription period. Where a Montie subscription is not valid, this guide may not be used.

1. There are five essential reasons for a Safe Driving Program in the workplace. Briefly describe two of them:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

2. Keeping records will help to improve driver safety. Considering information such as, what time of year the accident occurred, what time of day, the general locality, what type of accident and so on, briefly describe an example of one significant conclusion that could be drawn from accident records:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

3. List three things to do to reduce car theft:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

.... CONTINUES
4. When parking in a car park, give three examples of what to avoid:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

5. When driving there are many examples of general do's and don'ts. List four examples:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

6. If you were involved in an accident describe what information you would need to obtain:

___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
